JUDGE H. C. GESFORD DEFEATED IN NAPA COUNTY

One of the big surprises of the late election was the defeat of Judge Henry C. Gesford of Napa for re-election as judge of the superior court of that county. He has held the position for the past eighteen years and was supposed to be a fixture on the bench. Mr. Gesford is well-known in Redwood City having sat in cases here many times. He is a cousin of Attorney Archer Kincaid and Mrs. Gesford is a sister of Mrs. Will H. Hanson formerly of Redwood City.

MISS JOSEPHINE KIOTZ ELECTED COUNTY RECORDER

The many friends of Miss Josephine Klotz in San Mateo county will be pleased to learn that she has been elected county recorder and auditor of Douglas county, Nevada. Miss Klotz was formerly deputy county recorder here. The position to which she has been elected has been filled by her father for a quarter of a century. He retired recently owing to ill health. Miss Klotz was very popular at the court house.

ELECTION TO FORM SANITARY DISTRICT LOSES BY ONE VOTE

The election held Tuesday at the Washington school house on the Woodside road to vote on the proposition of forming what was to be known as the Washington Sanitary District failed to carry. The count stood 40 for to 41 against. A majority vote was required. There were altogether 92 votes cast, showing that all the electors did not vote on the proposition itself, but did express their preference for the sanitary assessment for the proposed district. There were eight persons voted for the assessment of these Matt Harris of Selby Lane received the highest number, 60, with Kenneth Murray second with 56 votes and W. A. Maloney third with 55 votes.

There were two candidates for assessor for the district, Mrs. Woodie E. La Dieu and Thomas M. Horgan. Mrs. La Dieu received 35 votes and Horgan 53.

The total vote of the territory embraced within the proposed district is about 175.

It is doubtful if the residents of that district will again seek another election. A movement is on foot there to call an election to be annexed to Redwood City.

PALO ALTO AND SEQUOIA PROBLEM FINALLY REACHED

An understanding and arrangements have been entered into by the trustees of the Palo Alto Union High school and the Sequoia Union high school at Redwood City that students residing south of St. Patrick's seminary, including the Nash tract and running east following the Willow road as extended to the bay, will be allowed to attend the Palo Alto high school.

On the west of the State highway, all south of Middle avenue and the same if extended to Santa Cruz avenue, may attend the Palo Alto high school.

The Palo Alto Union High School will refuse to accept any pupils beyond these lines.

This annonucement brings to a partially satisfactory conclusion the controversy which resulted from the decision of the Palo Alto school trustees that it would be impossible to accept pupils from other districts, as provided for by the State school law, when the amount received in school taxes was not allowed to be equally transferred.

BUSY WEEK FOR MESSRS. LAMBERT AND WALTERS

Lambert and Walters, the enterprising real estate firm have been extremely busy lately, several large sales having been made by them. They sold for $45,000 to Mrs. Emma R. Marwedel to Mr. Donley; for J. M. O'Brien his beautiful home on Fair Oaks Lane, opposite the Herbert Fleishhaker estate, Atherton, to Thomas Greaves, who has been residing recently at Mill Valley, this property brought $25,000; for Mr. Walter L. DeBuys they have sold the beautiful ten-room bungalow to C. S. Grandi, a member of the large commission firm of Shear-Grandi and company, this is another property which they have sold and resold for their clients, having sold the property to Mr. DeBuys for Mrs. Henrietta Meyer in the early part of 1919, the price was $14,000; for the account of Mrs. Anne Whitney Sperry to Mr. W. THE WEEK'S EVENTS IN LOCAL CIRCLES

A two-story barn located in the rear of the property of George Eikerenkotter on Elm street, near Stambaugh, was totally destroyed by fire early Thursday morning. The fire alarm was rung in but before the firemen arrived the flames were beyond control. The blaze started about 3 o'clock from the inside of the building and evidently the fire had been smouldering all evening and burst forth in a great flame lighting up the surrounding neighborhood. The cause of the fire is unknown. The building was valued at $1000 and was not covered with insurance. For many years the old structure was used as the polling place for elections, it being designated Precinct number 3.

He was accompanied by his wife. Mr. McGlynn says there are large opportunities for a young man in Peru. Land is sold at fifty cents per acre. It is rich and fertile, capable of raising any kind of a crop. The climate is moderate something like the climate of the peninsula. The people are friendly and welcome all foreigners. There are a great number of Americans in the country and more are coming in every day. Peru holds out great possibilities for every energetic young man with ambition to carve out a successful career.

Miss Sarah Ward, the popular and efficient chief operator of the telephone office, will leave tomorrow on her annual vacation of two weeks to be spent at Los Angeles.

The deceased was a native of Ireland but had been a resident of San Mateo county for nearly forty years. Mr. O'Grady recently sold twenty acres of his farm at Beresford to the county for a hospital site for $20,000. He was a trainer of trotters having in his day prepared for the track many fleet trotters. At one time Mr. O'Grady was superintendent of the Walter Hobart farm at Hillsborough. He was a man of the highest integrity and probity, honored and admired by all for his many virtues. He is survived by his wife, Margaret O'Grady and the following children, John, Leo and Raymond O'Grady. The funeral took place from St. Matthews' Catholic church at San Mateo yesterday morning. The interment was in Holy Cross cemetery, Colma.

GUS MULLENS TAKES A BRIDE

Gus H. Mullens and Miss Lulu Bell both of Redwood City, slipped a big surprise over on their many friends and acquaintances last Saturday night by being quietly married at the bride's home on Stambaugh street. The ceremony was performed by Rev. C. H. Stevens.

Mullens is in the employ of the United States laundry and Miss Bell is head floorlady at the Pratt-Low Preserving company plant in Redwood City. The wedding was witnessed by but a few relatives. The happy couple had a brief honeymoon over the holidays but, according to Mullens, a big trip is being planned for a later date. They will make their home in Redwood City.

A CANNING FIRM PAYS MORE THAN CONTRACTED

It isn't very often, more's the pity, that business firms or men voluntarily pay more money than they had contracted to pay for any specified thing, but once in a long while even that is done.

R. L. Snell of the Hamwood Park district contracted to sell his apricots to the Libby, McNeill & Libby cannery this year for $100 per ton. The price went up, as all men know, but Mr. Snell delivered his fruit as agreed and believed that he had sold a little too soon, maybe, but gave the matter no other consideration. Here the other day he got a letter from the Libby, McNeill people saying that notwithstanding they had bought his apricots on a contract for $100 per ton, the general price had advanced to $110 per ton and they would therefore pay him $110 per ton instead of the $100 as contracted, and begged to advise that their check was enclosed for his fruit at the rate of $110 per ton.

Such acts as these deserve to be known of men.—Mt. Vitw Register-Leader.

REPUBLICAN CENTRAL COMMITTEE WILL MEET IN COURTHOUSE TUESDAY

The Republican county central committee will meet in the supervisors' chambers in the courthouse next Tuesday, September 14, at 10:30 o'clock, a. m., to organize for the coming campaign. The law requires that the county committees meet on that date. The Republicans of the county are planning a strong and strenuous campaign for Harding and Coolidge, Samuel M. Shortridge for the United States Senate and Arthur M. Free for Congress.

The county committee is preparing a hard campaign for those candidates. It is believed that Shortridge will carry the county very largely over his opponent, James D. Phelan. It is thought Shortridge will get a two to one vote over Phelan next November. Many admirers of Mr. Shortridge place the majority in the state at over 100,000. Harding's majority will be 150,000.

LACK OF QUORUM PREVENTS MEETING

Owing to the fact that Trustees Geo. McNulty and Geo. A. Kreiss were out of town and Carl K. Mabie being confined to his home on account of mumps the regular meeting of the city board of trustees was postponed until a future date. It was decided to call a meeting for next Monday evening.

A delegation from the Chamber of Comerce was present and held an informal meeting with Trustees M. E. Ryan and H. C. Tuchsen, concerning the advisability of constructing the spur track connecting the municipal wharf with the main line of the Southern Pacific railroad.

Trustee Tuchsen who is chairman of the Utility Committee of the board reported that he had an interview with Colonel Winslow of the U. S. engineering corps, and had been informed that it would be about two years before the government would take any action toward dredging the creek, and that before any appropriation for this work would be made Redwood City would be required to do something to show good faith. Mr. Tuchsen reported that the government would pay one-half of the expense of dredging and Redwood City would be required to pay the other half.

The estimated cost of dredging the channel from deep water 100 feet wide and 12 feet deep up as far as the Frank tannery and then six feet deep to the municipal wharf would be about $36,000.

There was some discussion about the advisability of building the spur track at this time, Trustee Tuchsen maintained that the bonds were voted to build the spur track provided that the government would dredge the channel to the municipal wharf.

The delegation from the Chamber of Commerce seemed to favor immediate work on the spur track, stating that it would be a good business investment and would have a tendency to induce manufacturing industry. Trustee Tuchsen suggested that the city do its dredging without waiting for the government.

L. P. Behrens was of the opinion that it would be better for the city to build the spur track and then go to the people for a bond issue of $35,000 to do the dredging.

Trustee Tuchsen thought the city could well afford to vote the money for the dredging because it would afford us the best waterway on the bay and would undoubtedly be the means of securing terminal water rates for Redwood City.

A representative of the Owners Transportation company, operating a line of freight autoe between San Francisco and San Jose was present and stated that his company would put steamers and barges on the bay and make Redwood City their headquarters. They would handle about 400 tons of freight daily from this port. All that the transportation company wants at the present is the assurance that the channel will be improved at some future date. The trustees and the delegation from the Chamber of Commerce agreed that every courtesy should be shown the transportation company in the matter and Trustee Tuchsen representing the board and a committee from the Chamber of Commerce will wait upon the president of the company Monday. In view of this fact it was decided to call a meeting of the board for Monday evening.

D. R. Simmons, who pleaded guilty in the superior court some time ago to a charge of rape, was admitted to probation last Tuesday by Judge Buck for a period of fifteen years. During that time he is to contribute to the support of his illegitimate offspring.

He has a wife under 17 years old, and a baby three months and an illegitimate daughter aged five months. Simmons is 28 years old and a carpenter by trade. Simmons is charged with committing rape on his fifteen year old sister-in-law in the Alpine district a year ago. Simmons resides at Sacramento. He is willing to provide for his illegitimate daughter.

APPRAISER APPOINTED

Judge Buck on Thursday appointed H. W. Schaberg, inheritance tax appraiser of the estate of Daniel T. Ambrose, to reappraise the interest of the estate in 1795 acres of land at San Luis Obispo county. The estate's interest in the land is one-twentieth.

A. D. WALSH MAKES SEVERAL REAL ESTATE SALES

Several other sales in prospect, numerous inquiries by prospective home seekers in and around Redwood presages a very lively real estate market in the fall.

AUTOMOBILES ENRICH THE COUNTY BY $19,906.31 TAX

Yesterday County Treasurer P. P. Chamberlain received from the State Treasurer at Sacramento the sum of $19,906.31 from the State Motor Vehicle Fund to be distributed by the board of supervisors to the five road districts of the county. The treasurer has also the sum of $3,958 received during the past six months from the fines imposed by the justices of the peace throughout the county on violators of the motor vehicle act, which will be added to the state fund for distribution among the districts. This money will be expended for road improvements and is much needed and will be welcomed by the supervisors.

REDWOOD PARLOR MADE GOOD SHOWING

Redwood Parlor, N. S. G. W. No. 66 made a splendid showing in the big parade on Admission Day in San Francisco. All the parlors of the county joined with Redwood City and there were about 100 Natives in line.

The Native Daughters of Menlo Parlor were also in line. The banner of each parlor was carried in a large motor truck. The parlors in line were: Redwood City, No. 66; Menlo Parlor, No. 185; San Mateo, Seaside, Pebble Beach, Menlo Parlor, N. D. G. W. and the Boy Scouts, numbering 100, in charge of Father Kennedy. The Boy Scouts made a hit with a decorated fire engine, originally the property of Company No. 5 of the San Francisco Fire Department but which was brought to Redwood City forty years ago and has been out of use for many years. All along the line of march the Boy Scouts were lustily applauded. They received second prize. A. S. Liguori was marshal of the day for the county contingent. The Parlors were in the fifth division of the parade.

CITIZENS MEET WITH THE CITY BOARD MONDAY NIGHT

The citizens and merchants of Redwood City are urgently requested by the Chamber of Commerce to meet with the town trustees on next Monday evening, September 13 to discuss the proposition of constructing the spur track to the municipal wharf. The trustees want to hear the sentiment of the people on the subject and will act accordingly. Don't let George do it but come and give your views on the subject.

MRS. R. J. SHIELDS LEFT FOR EASTERN POINTS SATURDAY

Mrs. R. J. Shields of San Carlos departed last Saturday for a trip to St. Louis and other eastern points. Mrs. Shields will be gone for three weeks. She makes a trip east every two years and delights in these excursions. Mrs. Shields has traveled all over the United States and is well posted on every part of the country.

THE PHELPS MATTER WAS BEFORE THE COURT BUT NO SETTLEMENT IN SIGHT

The Josephine A. Phelps estate was up for settlement in the superior court before Judge Buck yesterday ,but as usual the various heirs coud not agree upon a settlement and as Judge Buck expressed it from the bench the aged annuitants may never receive any money from the estate.

Attorney Ehrman, representing the Union Trust company offered a proposition whereby that concern would advance money from the income of the annuities to the aged heirs. The money would be forthcoming at once. This was acceptable to Mrs. Lord and Mrs. Schroeder but Edward McLean and his brother, Charles McLean through their attorney Mr. Carson, strenuously objected to the proposal and would not budge when appealed to by the court. Finally the court ordered Mr. Sharpstein representing the executors to proceed and prepare a decree and if approved by him he would sign it. Ross and Ross representing Mrs. Virginia Lord stated that they would accept any decree the court would sign and would not appeal. Most likely a decree will be signed in a short time and the estate, appraised at over $500,000 will go into the hands of the trustees, The Union Trust company of San Francisco and Will Chipman. The realty market is such that before the big holdings at San Carlos are disposed o fthe aged annuitants will be "singing with the Angels" and will not care about things mundane.

EMIL JOHNSON ASKS FOR GUARDIANSHIP OF HIS WIFE

Emil Johnson has applied in the superior court for letters of guardianship upon the person and estate of his wife, Elisa Johnson, who was adjudged insane on April 28, 1918 by the superior court of San Francisco and committed to the Stockton State Asylum. Mr. Johnson asks that he be appointed guardian so that he may sell the property for which he is offered a good consideration. The money is needed at present for the support of the family. Franklin Swart is the attorney for petitioner.

Mr. Nealon of the Steiger, Kerr Stove Foundry was here on Wednesday consulting the citizens concerning the location of a site here for a factory. Mr. Nealon said the company was much impressed with the location and would like to settle here, all things being equal.

The concern has an option of five acres of land in the factory district of the town and may exercise this option in a short time. The company was recently burned out in the city and wish to locate some where about the bay. The concern employs 250 men the year around.

FOR VICE-PRESIDENT—
CALVIN COOLIDGE

FOR UNITED STATES SENATOR
SAMUEL M. SHORTRIDGE

FOR CONGRESS 8th DISTRICT
ARTHUR M. FREE

SENATOR HARDING A TYPICAL NEWSPAPER MAN

Senator Harding started in life with the ambition of being a newspaper man, and never got over it. Like every other newspaper man, he loves to tell about the best story he ever got the biggest scoop on, that he ever pulled off, and in general to talk "shop."

Recently at breakfast some of his newspaper friends were present, and the Senator was talking about the old days of the tramp printers, who disappeared when linotype machines came in.

"Do any of you remember a 'print' named Frenchy?" asked Senator Harding. "Frenchy was a sawed-off chap from Quebec and one of the best printers I ever saw—when he was sober, which wasn't very often.

"Frenchy used to drift into Marion about once a year, back in the early days, and 'take a case' as a 'sub.' One time he came in when we particularly needed help and went to work. He managed to hold his case, in spite of being in a state of persistent hangover, for about two weeks, and one day I wrote a story that Frechy got off the hook. It was about a little girl of a neighbor of ours who had died. She was a great favorite of mine and I suppose I wrote just as I felt about it. Anyhow, Frenchy got that take of copy and set it up. That night he got boiling drunk, and the next day we had to fire him.

"Frenchy left town and we did not see him again for about seven years. Then, one night when I was running for State Senator I walked down town with Mrs. Harding, and there on the street corner, standing on a soap box, was Frenchy, making a speech for Harding.

"I did not know what he was talking about, and out of curiosity Mrs. Harding and I lined up on the fringe of the crowd. Just about the time I discovered what he was talking about he saw us and rushed over to me.

"Be fore I knew what he was about he had taken my face between his two hands and kissed me on both cheeks. Then he pulled out of his vest pocket a greasy, ancient newspaper clipping and proceeded to read to the crowd the story that I had written seven or eight years before about the little girl's death. The tears rolled down his cheeks as he did it."

The Senator stopped for a minute and rubbed has chin reflectively before resuming.

"And ever since then I rather thought that story about the little girl's death was the best story I ever wrote," he concluded.

A SEPARATE PEACE

In his denunciation of a "separate peace" Mr. Cox uses the words in an unfair attempt to create prejudice. During the war, it would have been an act of dishonor for any one of the nations arrayed against the Central Powers to make a separate peace; for that would have weakened the cause of the allies. For the United States to have made a separate peace then would have been a moral wrong. But actual peace has now been arrived at so far as the nations involved in that struggle are concerned, and the only reason why the United States was not a party to the peace treaty was that President Wilson insisted that the United States must make a "supreme sacrifice" as an incident to the treaty. All the other nations have agreed to terms of peace. In making a separate peace—the only kind it can make now—the United States will not be doing an injury to any other nation. It will not leave any other nation to bear the burdens of war alone. It will not give and advantage to the enemy. The United States entered the war as and when it thought best. It can declare peace in any manner it may deem best, without doing injury to any of its former associates.

WAKE UP!

Playing tag with the farmers of Fargo, North Dakota, Franklin Roosevelt said: "You appreciate, I hope, the danger of the control of this (the food) question by men who are friends of the packers, by friends of big bankers, and by friends of the Eastern middleman. A solution by them will bring you back to conditions of ten or fifteen years ago." Why, the poor little simp, doesn't he know that the Republican House of Representatives has passed a measure authorizing farmers to organize co-operative marketing associations for the purpose of creating a short cut to the consumers whereby they may secure better prices for their produce and give the consumers cheaper rates? It will be passed by the Senate this next session. Frankie is late, as usual.

BRITTEN VS. BRITAIN

Congressman Fred Britten, of Illinois, has filed a signed statement with the Senate campaign investigating committee charging that $87,500 of British money, appropriated by the English Parliament for the British Embassy at Washington, has been covered into the Democratic campaign fund. This foreign campaign subscription is believed to have been made in order to boost the entrance of the United States into the British-Wilson league of nations through the election of Candidate Cox. The charges will be investigated by the committee, and it will be interesting to watch the smoking out of Great Britain by Fred Britten.

SOUR GRAPES

Ex-Governor Samuel McCall makes a vicious attack on the United States Senate in a recent number of the Atlantic Monthly. Sour grapes, Sammy. You tried hard enough to get into the Senate, and because you failed you and your followers split the State Republican party wide open and paved the way for the election of a democratic Senator, the first in a generation from Massachusetts. And you went over to Wilson by supporting his plea for the return of a Democratic Congress in 1918. The American public does not take kindly to the suggested reforms of political renegades, particularly when those treachery has laid him on the shelf.

COUNTY BOARD IN REGULAR SESSION

The board of supervisors met in regular session Tuesday, September 7th, 1920, at 10 a. m.

Senator M. B. Brown of Montara, in behalf of representative citizens of the coastside of the county, many of whom were present at the meeting, addressed the supervisors in the matter of the Ocean Shore Railroad. Johnson explained to the board that the owners of the railroad company had a petition before the Railroad Commission to abandon their right of way and that this petition would be heard before the commissioners in San Francisco on September 13th. He explained the retention of a railroad on the coastside meant to that part of the county, in fact to the entire county, and he asked that the board of supervisors in behalf of the county, intervene with the Railroad Commission and hold up action in the matter until it can be thoroughly gone into and see what steps can be taken to use the present road of the Ocean Shore company, the idea being to prevent the rails from being torn up until some other concern can be given an opportunity to make use of them, if the Ocean Shore does not do so.

On the recommendation of District Attorney Swart, and on motion of Thompson, seconded by Hickey, the board went on record as being opposed to the tearing up of the rails and expressed its willingness to intervene before the Railroad Commissioners, the drawing up of the necessary resolutions to be presented to that body being left in the hands of the district attorney.

The board took up at this time the petition that had been filed several meetings ago, asking for the abandonment of certain unusued streets and roads in what is known as the Lobitos Colony Tract in the Fourth Township. Judge Edw. F. Fitzpatrick of Redwood City appeared for the petitioners, and had John Meyn sworn, who testified that he was the former owner of the tract and had a map made of the same. He further testified that the names thereon were bonifide.

There being no objection to the petition, the same was granted, on motion of Thompson, seconded by Hickey, and a resolution adopted calling for the abandonment of the said streets and roads called for in the petition.

The following bids were received and opened for constructing a reinforced concrete culvert on the county road near the California Sanitarium in the Second Township:

J. H. Wilson	$1200.00
Harry B. Morey	1267.99
John Schympf	1375.00
Horace Fellows	1400.00

The contract was awarded to Wilson, on motion of Mrs. Brown, seconded by Thompson, he being the lowest bidder.

Action with regard to the adoption of the proposed meat and slaughtering inspection was laid over for two weeks.

Supervisor Thompson addressed the board relative to the condition of the wingwall on the bridge avross New Years creek below Pescadero. County Engineer Kneese said that the ground had settled, causing the wingwall to crack and he advocated remedying the defect by bolting the wall and anchoring it. On motion of Thompson seconded by Hickey, the engineer was directed to carry out the above plan.

On motion of Hickey, seconded by Thompson, County Engineer Kneese was directed to make a survey on Julian street alongside the Italian cemetery at Colma to determine the grade lines, os that the cemetery owners can construct a sidewalk in front of the place.

After consideration of the auditor's estimate, the following resolution establishing the county tax rate for the fiscal year, 1920-1921, was adopted, on motion of Hickey, seconded by Thompson:

Resolved by the authority vested in the Board of Supervisors by and under the provisions of Section 3714 Chapter V, Article 2 of page 3, of the Political Code, as amended;

It is hereby ordered that the rate of taxes levied by the board of Supervisors of the County of San Mateo, State of California, for the fiscal year, 1920, for State and County purposes upon each one hundred dollars of the assessed valuation of the property in the County of San Mateo, State of California, be and the same are hereby fixed and ordered collected as follows:

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—*everywhere*—U. S. Royal Cords.

THE women should certainly be thankful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now they're beginning to insist on *knowing what they are getting.*

And the more they insist, the better it will be for us.

IV

A change in the administration of the Base Hospital to take effect about September 15 was announced yesterday. Under the change, Major M. J. White, pioneer head of the institution, is to be transferred to Chicago to take charge of the Speedway Hospital built by the Government for former service men, and Major M. J. Wheat, executive officer of the Marine Hospital in San Francisco, is to become head of the hospital here. The arrival of Major Wheat was expected at the hospital Wednesday, although he does not formally take charge until two weeks hence.

The hospital has a present total of 411 patients, principally disabled war veterans. Th patients at times have numbered as high as 562. Recent transfers of men to the hospitals at Whipple Barracks and Arrowhead Springs have reduced the number.

The hospital staff includes seventeen physicians, four dentists and fifty-nine nurses.
